Walter Briggs
Town of Arrowsic

Dear Walter,

We are pleased to announce that the Maine Department of Transportation (MaineDOT) has selected the Town of Arrowsic for a Maine Infrastructure Adaptation Fund (MIAF) grant in the amount of \$50,000. This grant is for design related to your Spinney Mill and Indian Rest Roads culvert improvement project.

Your match, as noted in your application, is \$4,118. As explained on page 1 of the Request for Applications, costs incurred prior to the execution of the grant agreement will not be considered as part of the match requirement.

More details will follow. MaineDOT will be in touch in the coming weeks to prepare and execute a grant agreement. If you have questions in the meantime, please contact MaineDOT's grant team, Adaptation.DOT@maine.gov.

MaineDOT is excited to be a part of Arrowsic's effort to adapt critical infrastructure to reduce vulnerability to climate change.

Sincerely,

A handwritten signature in blue ink that reads "David Gardner".
