LD 2003 Update

CEO Chris Wilcoxson advised the Planning Board that he has become aware that an amendment to LD 2003 has been proposed. The purpose of the amendment is to limit LD 2003's applicability, or portions of LD 2003's applicability, to municipalities in Maine with a population of more than 10,000. Chris stated that he confirmed this with our State Representative, Allison Hepler. Allison noted, however, that she would prefer a lower threshold, perhaps 4,000.

Adjourned at about 8:00 PM.
