

'Zero-Sort' Curbside Recycling

- Arrowsic is very fortunate to have a zero-sort (single-stream) recycling program that allows residents to place all acceptable items together, in the same recycling bin, that gets picked up at curbside.
- Recyclable items are picked up on a year-round biweekly schedule (i.e., every other week).
- Place this brochure in a convenient location to reference when needed.
- Place yellow and black "Arrowsic Recycles" stickers on your recycling containers. These are available in the Recycling Shed next to Town Hall or in the Town Hall.
- Separate recyclables from trash by a few feet on pick-up day.
- Trash and Recycling need to be out by 7:00 AM on pickup day.

For items that can and cannot be recycled at curbside, see the Zero-Sort page of this brochure. For other items, see the "Options" section at right.
