Sheila's schedule

Sheila will be out of town from March 1-13, and will miss Town Hall open hours as well as the Select Board meeting on March 11. Also a few days in early April.

Input to Properties Committee

Sukey collected materials for the Properties Committee concerning on-going maintenance of Town Properties, including reports from the previous committee, a list of items identified for maintenance, and an outline of tasks for a once-proposed properties manager. She will send these to Malcolm Person in advance of the meeting. Sheila was asked to be prepared to speak to these at the meeting. The Properties Committee will be asked to advise the Select Board on budget items for the next Town Meeting.

TRIO quotes for increased coverage

The quotes for integrating the new InforME processes with TRIO were higher than anticipated. It was agreed that Motor Vehicle Rapid Renewal would begin as of July 1 2019, but use of credit cards in the Town Hall would be postponed for further consideration. On-line Boat Re-Registration will go ahead immediately.

Revaluation update

Bill Van Tuinen provided each Board member with a binder of documents explaining the framework he had adopted for the reevaluation. There followed a lengthy discussion about criteria. Board members will review the file and provide him with feedback within 5 days.

The PFL annual contribution has increased \$188.

There was a request for support of a proposal to open primary elections to unenrolled voters. The Board took no action.
