

THE ARROWSIC ARROW

Vol. 4, Number 10

Arrowsic, Maine 04530

Sept. 19, 1989

Dear Reader,

Summer has almost cast its last shadow. The Autumn equinox is upon us: Friday, September 22 begins the transition to winter. As I was told the other day at the Town Hall, Fall is our chance to stop for a bit and pay attention to the woods. Summer is too busy, winter is too white, and too close. You can't help but pay attention to the woods when they get all dressed up in those fancy colors. You'd have to be blind."

TOWN OFFICIALS and MEETING TIMES

TOWN CLERK	Ann Carlton	442-8343	* MEET WEDNESDAYS FROM 3 TO 5:30 AND FRIDAYS FROM 8:30 TO 11 AM

NEWS AROUND TOWN

Planning Board

After some time off this summer, the Planning Board will begin work on a mobile home park ordinance. We will also be working on shoreland zoning, to bring the Zoning Ordinance into compliance with the new state regulations. Additionally, we will begin work on an impact fee ordinance and a site plan review ordinance. The Planning Board will meet the first and third Mondays of each month. The Board will conduct Planning Board business on the first Monday only. Residents are asked to make an appointment with the Planning Board Chair, Lucy Stinson, if they have any business before the Board. She can be reached at 443-3954. On the third Monday, the Board will meet in a less formal workshop mode, drafting ordinances, etc. ALL meetings are open to the public. Town residents should feel free to attend and participate.

Fire Department

The Fire Department will host their annual Open House on Wednesday, Oct. 11 from 6:30 on at the Town Hall. Equipment and Firefighters will be on hand from Arrowsic, Bath, West Bath, Georgetown, and Woolwich. There will be movies and demonstrations, and the Ladies Auxillary will supply refreshments. Come on down, and bring the kids.

Civil Emergency Preparedness

Up until this year, Ted Bertocci has been the Director of Civil Emergency Preparedness. Tony Carey has been appointed for this year, and will be in charge of the annual Maine Yankee Emergency Evacuation Drill. The drill will take place sometime in November: the siren will sound at the Firehouse, and some Town Officials along with the Fire Department will meet at the Town Hall. At that point, they will await further instruction in the form of a phone call from Maine Yankee telling them to proceed with the drill. They will then grab megaphones, and drive down every road in town announcing an "emergency." When they have reached every household, they will rendezvous back at the Town Hall, and Maine Yankee officials, or a Federal Emergency Management Association Official will be on hand to critique how the drill went, including the length of time it took to reach everyone, and the general organization of those involved. Although we don't know exactly when the drill will take place, we wanted to notify people so they won't panic when they here the sirens. We will publish a reminder in the next newsletter

Miscellaneous Announcements

-If your septic tank needs pumping, you may call any pumper that is listed in the yellow pages. You pay for the pumping, and Arrowsic pays for the disposal at the Septage Disposal station located at the Bath Water Treatment Plant. They will bill the town. Yes, this is different than it used to be.

-Watch for an announcement in next month's Arrow about Arrowsic's Halloween Party.

-For all who schedule meetings at the Town Hall: Please write them in on the calendar at the town hall as far in advance as you can to avoid conflicts. Thanks.

-Anyone interested in getting together and making some window quilts for the Town Hall and cozying it up for the winter? Call Patty Olds at 442-8270. You may have to talk to a machine, but I will call you back.

-And now a word from our sponsor...

Come see Thornton Wilder's OUR TOWN at the Theater Project in Brunswick. This summer's critically acclaimed production is being brought back for two weeks by popular demand. Sept. 29-Oct 8. Call 729-8584 for more information and reservations.
