From the Editor:

It is time to think about your mailman and newspaper deliverers- please remember to shovel out around your mailboxes so they can be driven right next to. THANKS

From the Tax Collector:

From the Fisher-Mitchell PTA:

The Fisher-Mitchell School Volunteer Program is underway. The volunteers are a group of people (parents, aunts, uncles, grandparents, and interested citizens) who are willing to give 1-3 hours of their time to the school.

The only requirement is an interest in children.

Examples of areas needing volunteers are:

- The tutor program and the listener of the day (both having to do with reading.)
- Library, classroom, school recycling, and
- At home volunteers.

Do you have a special interest or talent you might share?

Everyone knows the benefits to yourself and the school that can be derived from a program such as this, but did you know that children benefit the most? Numerous studies have shown that children attending schools with volunteer programs do better scholastically than children attending schools without volunteers.

Please call Eileen Conner, PTA president at 443-4745 for more information. Thanks!
