

Town of Arrowsic
Properties Committee
Minutes of the Meeting
November 17, 2020

Present: Jack Carr, Andrea Galuza, Michael Kreindler, Malcolm Persen, Sheila Spear

Absent: Kevin Kauffunger

1. Malcolm called the meeting to order at 6:05 pm (EST) by Telephonic conference.
2. Malcolm reported to the Committee on progress to refinish the floor of Town Hall. He reported that he believed that all the contractors had been arranged for the work to be completed the following week. The original mover, Bisson, never put the project on their schedule and had to be replaced with Liberty Movers from Portland. They agree to perform the work at the same original price. Dave White was ready to complete the work during Thanksgiving week.
3. Michael reported on work to diagnose and plan improvements to the drainage on the Fire Station parking area. He expressed concern on how Charlie Collins and his crew were going to complete the work as they had been hard to get ahold of. (Subsequent to the meet, Michael reported via email that he did finally get ahold of Collins and was satisfied with answers to questions regarding progress on the project.)
4. The meeting was adjourned at 7:20 pm.

Respectfully submitted,

Malcolm Persen
Committee Chair
