

USER'S GUIDE TO RECYCLING IN ARROWSIC

Single Stream, Curbside Recycling

- Single-stream recycling allows residents to place all recyclable items in a single recycling bin.
- All items that are currently recyclable are picked up at curbside on a year-round, biweekly schedule (i.e., every other week).
- Yellow and black stickers to place on recycling containers are available in the white shed next to Town Hall.
- When putting out for pickup, separate recyclables from trash by a few feet.
- Place this brochure in a convenient location for reference when needed.

Not accepted in single stream...

- No plastic bags, no food liners
- No unmarked plastics
- No windows, no light bulbs
- No dishes, no Pyrex, no ceramics
- No foam packaging, no styrofoam
- No recyclables containing food waste
- No paints, oils, hazardous materials containers

Curbside Recycling every other week...

Please be sure all food and products are rinsed off.

- **Glass** (any color)
- **Plastics** (numbered 1–7, except #6 styrofoam—containers, bottles, jugs, laundry baskets, chairs, 5-gal buckets, garbage cans, carts, sleds, soda crates)
- **Aluminum**
- **Metal cans** (aluminum, steel, tin)
- **Paper** (newspaper, junk mail, envelopes, magazines, phonebooks, softcover books, file folders, any color paper, paper cups, milk cartons, egg crates, juice boxes)
- **Cardboard** (corrugated, paperboard, packaging such as cereal, pasta, pizza, tissue, towel/toilet paper cores, paper bags—all flattened and broken down)

- Kitchen and yard waste

Outdated Prescription Medications

- Bath Police Station dropoff (207-443-5563)

Why Recycle?

- *Recycling saves money!*
 - *Tipping fees paid by Arrowsic:*
 - *Recyclables—\$25/ton*
 - *Solid waste—\$70/ton*
- *Helps protect you as well as the environment*
- *Reduces the amount of waste needing disposal—less waste to incinerate or landfill*
- *Conserves precious natural resources—less raw material needs to be extracted and processed*
- *Saves energy*
- *Reduces greenhouse gas emissions*
- *Makes us more sustainable—we are borrowing less material and energy from our children's future*
- *Arrowsic's current recycling rate is 39%, but the State of Maine calls for a rate of at least 50%. **We need to do better. We can do better.***
- *And, in Arrowsic, we voted to make recycling mandatory!*

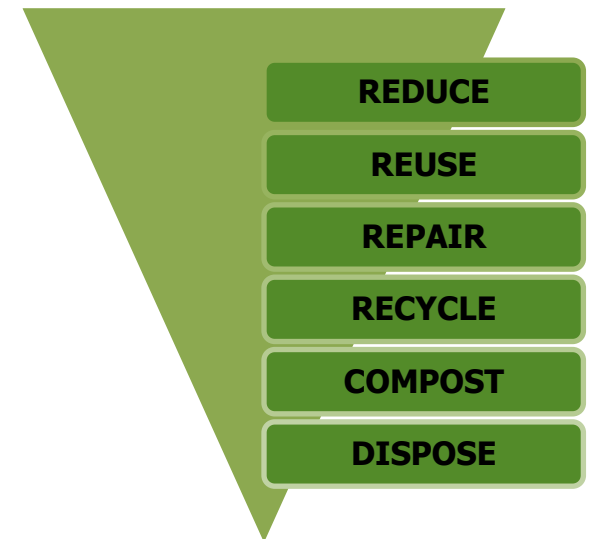

The Arrowsic Solid Waste and Recycling Committee thanks you for your efforts to help our town and the environment.
