

Arrowsic Selectmen's Meeting
October 21, 2010

Present:

Selectmen: Larry Wilson, Sukey Heard, Michele Gaillard
Mary McDonald, Treasurer

Agenda

1. Warrant Article and Treasurer's Report

Warrant Article #7 for \$37,587.82 was reviewed by the Selectmen with the Treasurer and signed. Also Warrant #7A for \$151,587.82.

2. SAGArrowsic Meeting Update

Based on the email received by the Selectmen from Lisa Holley regarding her concerns about insufficient clarity of purpose for this committee, we will be meeting with the present members at our next Selectmen's meeting to discuss what needs to be done. Larry is working on confirming active members.

3. Road Signs

The Codes Enforcement Officer has been communicating with several realtors who are advertising property in Town using roadside real estate signs. Most of these signs exceed the size limitations of the sign ordinance. All the realtors have either removed their signs or replaced them, with one exception. Larry reported that he had spoken with the realtor who had been waiting for reduced-size signs to arrive. The newer, smaller signs will be up next Monday.

4. Compensation Committee

Based on a warrant article from the last Town Meeting, the Selectmen have been asked to form a committee to look into the present salary structure of town employees to ensure that it is fair and not a disincentive to municipal employment. Michele has written a submission for the Arrow for inclusion in the next edition.

5. Other

Michele reported that she attended a United Way meeting on winterization and General Assistance issues.

6. Mail

Mail was opened: several bills, a property transfer. Also received a contract from Jorgensen Landscaping for shoveling snow at \$35 a storm, which is the same cost as last year. The Selectmen voted to sign the contract.

7. Minutes

Jennifer was not present today so no minutes were reviewed.

8. Adjourn at 6:43 p.m
