

Arrowsic Selectman's Meeting

Minutes

February 28, 2012

Present: Selectmen Sukey Heard, Michele Gaillard,  
Treasurer Mary McDonald, Karen Robbins

1. Warrant and Treasurer's report:

Warrant # 14 for \$2,537.62 was approved and signed.

2. Grant Proposal Support for Alewives Culvert: Karen Robbins

Karen asked that the Selectmen write a letter in support of a State project to replace the culvert under Route 127 at the inlet of Sewall Pond which has been put on a priority list. The present culvert is not large enough. The Selectmen moved, approved and signed the letter.

3. Education Visioning Session: Karen reminded the Selectmen that an education visioning session has been planned for Wednesday, March 14 at Town Hall. The meeting was put together by a group who attended the meeting with Superintendent Manuel and Tim Harkins and are interested in putting together a comprehensive plan for education in the community.

4. Selectmen Meeting Date Change: Due to vacation schedules, it was decided that the next meeting will be moved to Tuesday, March 13 so we will be able to have two Selectmen present. Sukey will get notification out.

3. Mail:

We received a letter from Sagadahoc County Commissioners asking for our suggestions that could help them reduce county taxes. The Selectmen discussed and Sukey will call Max Dawson, our Commissioner and let him know our thoughts.

In addition Sagadahoc Emergency Management Director, Misty Green, has requested that we pay \$750 annually for a reverse 9-1-1 system that would notify residents by phone in the event of a widespread emergency. Upon discussion, we decided that it wasn't fair to ask Arrowsic to pay the same as larger towns so we will return the request with our comments.

FEMA has notified Sagadahoc County that our Emergency Management Plan has been approved. This will allow us to apply for mitigation grants if needed.

9. Minutes

None to approve.

Adjourn at 7:05 pm

Respectfully submitted,  
Michele Gaillard
