

Arrowsic Selectman's Meeting

Minutes

April 9, 2012

Present: Selectmen Larry Wilson, Sukey Heard, Michele Gaillard,
Treasurer Mary McDonald

1. Warrant and Treasurer's report:

Warrant # 18 for \$43,692.54 was approved and signed.

2. Town Maintenance Spreadsheet

Following Rob Shultz's appearance at the last Selectmen's meeting, Larry put together a spreadsheet as a working document with the various projects discussed. The Selectmen will use it to determine what projects can be done out of Property Management funds and which should come from Capital Improvement funds and appear on the warrant at Town Meeting.

3. Executive Session-General Assistance:

The Selectmen went into executive session from 6:50 to 7:00 pm to discuss a General Assistance issue.

4. RSU Meeting at Woolwich

Sukey attended the RSU 1 meeting at Woolwich tonight. Woolwich is contesting their town's assessment of RSU expenses because a large personal property purchase by Reed & Reed increased the value of the town but because of a negotiated tax break, did not increase tax revenues. RSU is considering changing their methodology which would mean a much higher assessment for Arrowsic and other towns. Sukey felt they were leaning towards the change.

5. Donation Requests

Larry and Sukey reviewed the requests from organizations for town donations. Larry needs info for Town report.

6. Annual Reports

Larry gave a progress report on which committees and organizations have submitted their reports for the Town report.

7. Sag EMA

Misty Mixon sent a form to be included as a flyer in Town report. It is a "People with Functional Needs/Disabilities Registry" which would allow people who may need special attention or help during an emergency to identify themselves so they can be included in emergency plans.

8. Minutes

None to approve.

Adjourn at 7:20 pm

Respectfully submitted,
Michele Gaillard
