Town Staff and Volunteers

- Animal Control Officer needed: Samantha Malsch has applied and will be officially appointed at next Select Board Meeting.
- Nomination of David Berndtson to join Arrowsic Resilience Committee: David was appointed by Select Board.
- New member needed for Education Committee

Any other business

- The Arrowsic Conservation Commission (ACC) and the Arrowsic Resilience Committee (ARC) recommendations for a letter suggesting additional changes to the MDOT project on Rte 127. Proposed changes would create a more resilient project for the tidal crossings, create safer travel into the future (e.g. less impact on emergency response), and provide greater marsh restoration. Jody presented the status, and Select Board agreed to review a letter to DOT asking for more study. Select Board in favor of signing on principle. The Maine Coastal Program's Habitat Restoration Grant application for allowing the town to use the CoastWise Approach to complete hydrodynamic modeling to inform culvert sizing and road elevation increases on Route 127 in Arrowsic was approved.
- Follow-up to Special Town Meeting: brief update-no significant news.
- Annual Report: brief update-no significant news.
