

ARSWC
May 21, 2026
Meeting Agenda

Attending: Nadine de Vries, Jon Biehler, Katie Smith, Frank Daly, Roz McLean

Approve April Minutes: Accepted

[April 2026 ARSWC Minutes.docx](#)

Approve Special Meeting Minutes: Accepted

[ARSWC Special Meeting to review proposals for Recycling and Solid Waste 4/23/26](#)

Upcoming Calendar Items

[ARSWC Upcoming Events/Tasks](#)

Composter Sale

Last item is still to be delivered by MRRA

Signage

Roz will send out drafts to the committee by email

Fluorescent Bulbs

Frank is working on getting disposal shipping boxes

Town Meeting - June 11

If questions arise about Trash and Recycling budgets, we will answer them at the time.

Swap Barn

Upcoming Education Committee yard sale June 6th. Swap Barn will be closed.

[Swap Barn Schedule](#)

May 30 will include a plant swap

Recycling Shed Update

Random items being left. Some have gone down to the Swap Barn. Alkaline batteries to Staples and large ones to the landfill (charges taken out of cash left from TV/monitor/refrigerant collections).

Next TV/monitor/refrigerant collection July 11. 11-1. \$20 per item. Need to check with Richard as to availability that day and what his charge will be.

ARSWC Contacts: Resident Questions/Issues

Oil drips on Whitmore's Landing & Doubling Point Roads on an April trash day. Start a spreadsheet of dates when this is noticed. This year, when there are issues with trash pickup, direct calls to Craig. Put notice on website as to this change.

Tip of the Month

Post photo collage of wet cardboard with tip about not putting it out when there is a forecast of rain.

New Member

Alice Colwell is interested in joining. She may be interested in doing the tip of the month. She might also post Swap Barn photos on social media.

Other items: none

Next meeting: June 18

Meeting adjourned 6:38 PM

Respectfully submitted,
Roz McLean
